|  | C:29 M:0 Y:78 K:0  | R:206 G:240 B:71 | #CEF047 |

## 设计说明:

该标志以圆形为外轮廓来代表地球象征着峰会的国际性；标志内部的左边为“openSUSE.Asia 峰会”标志性图形，右边则是 2023 年峰会的举办地重庆的标志性建筑“解放碑”的剪影形状，数个多边形辐射状的排列代表着重庆工业制造业的优异；标志的下面则是图形化的山峰，结合重庆依山傍水的自然地理环境和“山城”的特色而产生。

整体的配色打破以往的习惯，因为这是疫情之后首次恢复线下活动，我们希望把活力和激情通过全新的色彩搭配更加直观的呈现出来；鲜亮明快的橙色与黄色象征着重庆的热情，轻快明朗的绿色则代表了重庆环境的优美。

寓意热情美丽的重庆欢迎世界人民的来访，2023 年的“openSUSE.Asia 峰会”也会岁岁欢愉，万事胜意！

## Design Notes:

The logo represents the earth with a circular outline to symbolize the international nature of the summit; On the left side of the logo is the iconic graphic of the "openSUSE.Asia Summit", and on the right is the silhouette shape of the iconic building "Liberation Monument" in Chongqing, where the 2023 Summit will be held, and several polygonal radial arrangements represent the excellence of Chongqing's industrial manufacturing industry; Below the logo is a graphical mountain peak, combined with the natural geographical environment of Chongqing and the characteristics of "mountain town".

The overall color scheme breaks the habit of the past, because this is the first time that offline activities have resumed after the epidemic, and we hope to present vitality and passion more intuitively through new color combinations; The bright orange and yellow colors symbolize the enthusiasm of Chongqing, while the brisk and bright green represents the beauty of Chongqing's environment.

Chongqing, which means warm and beautiful, welcomes people from all over the world to visit, and the "openSUSE.Asia Summit" in 2023 will also be happy and successful!
